Dear Friends,

We are proud to share the accomplishments and financial stewardship of Iron Horse Therapeutic Farm throughout the 2025 fiscal year. This year was marked by continued growth in our programs, meaningful community partnerships, and a steadfast commitment to our mission. Some highlights include:

- Provided therapeutic farm programming to participants across our service area in Northern Colorado
- Expanded scholarship support, awarding $8,740 in scholarships and therapy equipment to ensure access for all
- Secured significant grant funding, including a Foothills Gateway Grant ($35,000) and a Home Depot Grant ($4,017.66)
- Continued our partnership with the local community through outreach, fundraising events, and educational programming
- Maintained our facility at 5020 East County Road 40, providing a safe and nurturing environment for participants and animals

None of this would be possible without the generous support of our donors, volunteers, grantors, and dedicated board members. We are grateful for your continued trust and partnership.

With gratitude,

Taneal Behm
